

# IMPORTANT CHANGES TO TANGALOOMA RESORT ACCESS

## Tangalooma Resort is a private owned resort

Moreton Island visitors without a pre-arranged accommodation booking at Tangalooma Resort will be required to present a pre-booked 'Casual Day Visitor Pass' to be granted access to the resort.

- The pass allows the resort to regulate guest numbers and provide adequate staffing and facilities for guests
- Casual day visitor passes need to be pre-booked online at least 1 day prior to visiting the resort
- There is no cost to the casual day visitor pass, although bookings are subject to availability
- Visitors without an official booking can no longer access the resort property
