# Why MORETON ISLAND?

**Sick of boring conferences, endless meetings and company agendas? It's time to escape the grind and use your conferencing time to have a positive influence on how your team functions in the workplace.**

## **WE'RE HERE TO HELP**

At Moreton Island Adventures we provide unique solutions for your company on idyllic Moreton Island:

- Relaxed team conferences (shoes optional)
- Vehicle & product launches
- Unique team building getaways
- Company & club celebrations
- Reunions & special events

## **THE DESTINATION**

Moreton Island is Brisbane's unexplored paradise, hidden 40km across the bay. But forget those dull resort experiences (because if we're honest you'll all avoid each other in your respective hotel rooms right!?), we offer a unique Glamping and 4WD experience, perfect for getting your team out of the rut and back on the tracks. The best thing is, it's a convenient location for a unique venue without the cost of travelling far and wide, but with just enough distance to give your team a real sense of removal from the concrete jungle:

- Start your getaway with a relaxed cruise across Moreton Bay aboard the luxurious MICAT ferry
- Unique Glamping accommodation perfect for bringing your team closer together
- Conference around the campfire ... or on the beach
- Fun 4WDing with your team (in your 4WD's, our tour operator's vehicles or hire your own!)
- Great additional activities like 4WD training, night kayaking, sandboarding & snorkelling Brisbane's only shipwrecks
- Amazing crystal clear water & pristine beaches
- Stunning sunsets over the water (think drinks & canapes while your team networks in a casual setting)

# Glamping

## CAMP IN STYLE

**If you haven't heard of Glamping, you're really missing out on the experience of a lifetime.**

Glamping is the ultimate in unique experiences that seamlessly meshes the outdoor nature experience with a little touch of luxury; namely a queen bed and a hot shower!

Our Glamping tents are located on one of the most spectacular islands in Queensland's south east and are less than 100 metres from beautiful Bulwer Beach and just a short 4WD away from the main attractions of Moreton Island.

Unplug as much or as little as you'd like on your next corporate getaway.

# Catering

## PACKAGES

**Don't get caught with a 'hangry' team who can't get along!**

Moreton Island Adventures can provide catering packages depending on your preferences and the itinerary for your stay. Email us for a sample menu. We're happy to discuss any ideas you may have and are able to cater to any specific dietary requirements.

For your convenience, the Glamping tents are also in close proximity to Castaways for relaxed dining and home baked treats.

# *Experiences* ON THE ISLAND

"Shake up the team with some awesome island activities"

Your team are stuck indoors at the desk most of the week, so why not put a bit of a pep in their step with some awesome island activities - you can be as wild or as tame as you like! If you have something else in mind that is not listed, let us know and we'll get your adventure off the ground. If your team are unable to provide their own 4WD vehicles, we also have options for guided trips (on the next page).

## **NIGHT KAYAKING**

Described by some guests as the 'world's best kayaking experience', transparent night kayaking is Moreton Island's premier new experience.

## **SHIPWRECK SNORKELLING**

Crystal clear blue waters, stunning coral formations and countless varieties of fish. This tour is fully guided with all gear included.

## **DESERT SANDBOARDING**

The higher you go up, the faster you come down! This activity can be fully guided with safety instruction, or purchase sand boards and DIY. We guarantee this will take your team out of their comfort zone.
